> We have a network of over 450 national and 3,500 international locations <

> Public Videoconferencing Rooms

Over the last 10 years our experience and superior customer service have made us Australia's leader in the provision of public videoconferencing rooms.

> Experience

We understand that your meeting is important and we will work closely with you to provide the facilities, expertise and technology to make it happen.

Our team has specific experience in the coordination of recruitment interviews, legal proceedings, press conferences, annual general meetings and enterprise wide announcements.

You can count on us.

> Superior service

On site co-coordinators connect your call and are on hand during your meeting to provide assistance as required.

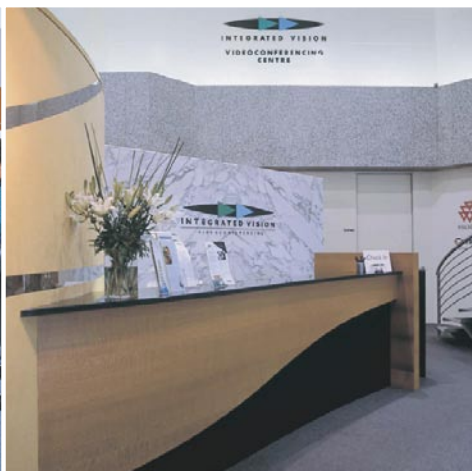

We have access to a network of over 450 national and 3,500 international locations. (U.S. listings follow - Australia and International available)

We also have our own videoconferencing suites in Sydney, Melbourne, Brisbane and Adelaide, which have been specifically designed for videoconferencing.

> Multiple rooms in the same meeting

For meetings with more than two locations we provide a superior bridging service.

Our team utilises leading edge technology to bring your people together.

> Contact us:

Our team looks forward to working with you to make your next videoconference a success.

You can reach us on [1800 637 480](tel:1800637480) or via e-mail at customerservice@ivision.com.au

Integrated Vision U.S. Public Site Listing

This is not a complete list. New sites are added regularly, with multiple facilities available in major cities.

If the location you require is not listed below, please contact us on 1800 637 490 - if we do not already have a site we will source the nearest available facility.

Our network also has access to over 450 rooms national and 3,500 international locations
