There is a 1800 number available for conference call participants. In Australia, this is 1800 MYCONF (1800 692 663). Your participants do not pay for the conference call services. All call costs are charged to you, the host. Calls from mobile phones, pay phones or hotels may be charged additionally by the participant’s service provider.

Local Dial - In Service	
Australian Cities	Rate/ Minute /Line (ex GST \$AUD)
Sydney, Melbourne, Brisbane, Adelaide, Perth, Canberra, Hobart, Darwin	8c

Participants call a local number provided by MyConference. Your guests will pay the cost of a local call only. Calls from rural and regional areas will be charged long distance rates by their service provider.

[See below for Call Rates for International and National Global Access Numbers](#)

Additional Services	Rate Ex GST
Recording Service*	\$10 flat rate only when a recording takes place during a conference call. Multiple recordings in the one conference call will only incur the one \$10 fee.
Recording Downloads	FREE. File stored for 30 days.

*Recording Service needs to be activated. No charge for activation.

● Registering with MyConference Audio

There are 2 simple payment options for MyConference – credit card or invoice for approved account holders.

Credit card details can be provided online when you sign up to have your conferences charged to this card on an ongoing basis.

Other methods of payment are available if you choose to be invoiced for approved applicants.

● Control Costs with MyConference

As a MyConference customer you will be provided with a Login ID and Password to access your MyConference Self Service Account online through the MyConference website.

The Self Service site offers a range of budgetary tools which enable you to verify call costs, view payment histories, print invoices and make payments via credit card all online.
